WHO WE ARE

BDS Global LLC acquires, restores, and sells defense platforms — or resets customer-furnished equipment. Ground and air: tracked, wheeled, rotary-wing and fixed-wing, for U.S. and allied customers.

HOW WE WORK

01 **Acquire.** Customer-furnished reset, or BDS-procured inventory.

02 **Reset.** 100% of ground-vehicle work in-house: inspection, repair and return-to-service. Aviation mechanical work through qualified partners.

03 **Deliver.** Mission-ready platforms to government, allied and qualified commercial buyers.
